Our Local Response Team will not be asked to endanger themselves in anyway only to contact the Local Co-Ordinator should a service be required. If a situation arises the county leader will be contacted promptly and will dispatch any emergency response services if required.

Please do not hesitate to contact any of the above if required. Our aim is for our Local Response Team to be in constant contact with the above mentioned group of their assigned areas to help and support if and when required.

Stay Safe and as a community working together we can travel this journey together.
